

## APPLICATION TO SUBLET

The application to sublet is not a contract.

We recommend a separate subtenancy-agreement between the main- and subtenant.

### Important information for the subtenant

The subtenancy must be requested in person in the WOKO-office, along with a valid student-ID. Forms sent by post or e-mail will not be accepted. Subtenants must meet the same conditions as the main tenant (<http://www.woko.ch/de/haeufige-fragen> / Who is entitled to rent accommodation?). Subtenants who do not meet the rental conditions can only be considered during the semester holidays.

The application form must be submitted at least one day before the start of the subtenancy.

### Important information for the main tenant

The main tenant remains responsible for the rental payment and any damage during the subletting period.

If this application is submitted after the deadline, a fee of CHF 100.- will be charged.

The room can be sublet for a maximum of six months throughout the entire letting period.

The flatmates confirm with their signature, to be informed about the subtenancy and agree with it.
